SUMMARY

I'm Omar Elbadawey Front-End Developer passionate about building modern, responsive, and user-friendly web applications. I'm currently a senior student at Delta Higher Institute for Information Systems, specializing in web technologies and UI/UX design. I focus on transforming ideas into clean, functional, and visually appealing digital experiences using HTML, CSS, JavaScript, React, and Next.js.

I'm always eager to learn, improve my skills, and take on new challenges in the front-end development field, After graduation, I will fulfill one year of mandatory military service.
